LUMINOR Environmental Inc. Ranked Number [insert rank] Fastest-Growing Company in North America on the 2022 Deloitte Technology Fast 500™

LUMINOR attributes its rapid growth rate to its amazing team, customers, and products. Selling to 55 countries around the world LUMINOR has grown to be a leader within the industry and plans to continue to grow in the coming years.

Guelph, ON (November 16, 2022) — LUMINOR Environmental Inc. received recognition as part of the Deloitte Technology Fast 500™, a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies in North America, now in its 28th year.

LUMINOR Environmental's President and General Manager, Brock Lupal, is extremely proud of the many accomplishments the LUMINOR team has made over the years. Crediting LUMINOR's growth to a strong focus on product development, customer service, and responding to feedback in the marketplace.

LUMINOR Environmental's CEO, Myron Lupal, is pleased to accept this award for the second year in a row, highlighting the growing demand for water treatment equipment globally as water quality unfortunately worsens.

"As the past year has shown us, innovation in important areas such as life sciences is critical to addressing infectious disease and other global health issues," said Paul Silverglate, vice chair, Deloitte LLP and U.S. technology sector leader. "In addition, technology must keep pace with ever-changing consumer and corporate demands for faster, safer and more efficient solutions to new societal challenges. Each year I am in awe of the immense talent the Technology Fast 500 rankings reveal, confirming the winners' relentless pursuit of creativity and their ability to solve real-world problems that benefit us all."

"This year's Technology Fast 500 list is a true reflection of some of today's most determined and inspiring pioneers who have prospered by anticipating what's next, understanding what's needed to succeed and driving creativity forward," said Christie Simons, partner, Deloitte & Touche LLP and industry leader for technology, media and telecommunications within Deloitte's audit and assurance practice. "Representing all facets of technology, the winners

have shown they not only have the vision but can also expertly manage their companies through rapid growth. We congratulate each winner on their impressive achievements."

About the 2022 Deloitte Technology Fast 500™

Now in its 28th year, the Deloitte Technology Fast 500 provides a ranking of the fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2018 to 2021.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least US$50,000, and current-year operating revenues of at least US$5 million. Additionally, companies must be in business for a minimum of four years and be headquartered within North America.
