September 6, 2024

On June 6, 2024, the *Homeowner Protection Act, 2024* received Royal Assent. This act bans the registration of Notices of Security Interest (NOSIs) for consumer goods on the Land Registry and deems all currently registered consumer NOSIs to be expired.

As a result, consequential amendments were made to O. Reg. 8/18, under the *Consumer Protection Act, 2002*, including:

- The disclosure statement for restricted goods and services that are sold door-to-door or at consumers' homes has been edited to:
    - Replace warnings that a business may register a NOSI on the title of the consumer's property with content that informs consumers that this is now a prohibited practice.
    - Reflect a new version date (July 19, 2024).

The revised Disclosure Statement can be accessed on Ontario.ca.

Please be advised that these changes are administrative in nature and are in effect immediately. Businesses offering restricted products and services door-to-door or at a consumer's home are required to provide consumers with the updated disclosure statement on the contract which outlines consumer rights.

For more information, please visit *Homeowner Protection Act, 2024* | ontario.ca and for more information on NOSIs, please visit www.ontario.ca/SecurityInterest.

We invite you to share this information with your customers, clients and communities. By working together, we hope to give Ontarians the information and advice they need to shop with confidence and stay protected.

Thank you for your support. Please contact me directly should you have any questions at consumerprotectionoutreach@ontario.ca.

Sincerely,

Tonia Lamanna, Director
Marketplace Intelligence, Policy and Outreach Branch
